Notification

DF/PLG/PUB-MAR/2015-16

Sub.: “Publicity and Marketing in Fisheries”.

The Government of Goa is hereby pleased to introduce the scheme “**Publicity and Marketing in Fisheries**”.

1. *Short title and commencement.*— (a) This scheme may be called as “Publicity and Marketing in Fisheries”.

(b) It shall come into force from the date of publication in the Official Gazette.

2. *Introduction.*— Fisheries and aquaculture is an important sector of food production, providing nutritional security with diverse resources, ranging from deep seas to lakes in terms of fish and shellfish species.

Given the abundance of resources with potential and the national importance attributed, aquaculture is poised for great expansion in the near future. At the State level, Department of Fisheries is planning to develop a road map for enhancing fish production from the present level to explore avenues to meet domestic demand; and to increase earning potential in terms of value-added products and ornamental fish trade.

Fisheries sector in Goa has witnessed an impressive growth from a subsistence traditional activity to a well developed commercial and diversified enterprise. The Fisheries sector has been playing a pivotal role in the economic development by virtue of its potential contribution to employment generation, income augmentation & addressing food and nutritional security concern. Growing urbanization, globalization and changing social structure had a major impact on the fisheries scenario. In order to sustain the faster growth, developmental projects and programmes are been formulated, implemented and managed by the Department.

The Department of Fisheries has set up its vision and is working towards achieving the same and thus this scheme “Publicity and Marketing” is formulated to publicize the activities and to make the general public aware of the initiatives of the department.
